

MARTINA SORMOVA TOMCOVA

AI Business Transformation Leader — Product & Program Management

Prague, Czech Republic (open to Remote EU / global remote) · martina.sorm@gmail.com · +420 702 191 083 · linkedin.com/in/martina-sormova-975b63237

AI transformation leader with 15 years bridging business, product and data technology. I take processes spread across many teams, countries and board areas and rebuild them into AI-enhanced systems that measurably perform — then make the change stick through enablement, change management and executive alignment. Fluent across engineering, executive and end-user audiences: I write the developer tickets, present the same program to the board, and train the users on the result.

EXPERIENCE

Team Manager, Business Consulting and SBN Operations — MEE Region

2026 – present

SAP Business Network, Prague

- Lead a team of business consultants advising enterprise customers on value realization from the SAP Business Network — network growth strategy, procurement optimization and adoption at scale.
- Authored the regional strategy shifting the team from reactive delivery to outcome-based strategic consulting (SWOT/TOWS, 3-9-12-month roadmap, succession model, upskilling academy).
- Designed an AI-augmentation roadmap deploying AI agents on routine L1/L2 work, targeting release of up to 20% of team capacity.
- Full people leadership: hiring, performance, promotion and compensation decisions; resource forecasting and global capacity allocation.

AI Adoption Lead (Fellowship)

2025 – 2026

SAP Strategic Customer Program

- Led AI enablement and strategy for SAP's most senior customer-facing leaders; built the AI adoption roadmap aligned to go-to-market strategy.
- Redesigned the annual account-planning process around AI; defined agentic AI scenarios and agent orchestration from customer insight.
- Designed and ran AI training programs — prompt engineering, Joule & AI agents, MS Copilot — for 120+ technical and non-technical users.
- Established responsible-AI governance and ethics frameworks for deployment; KPIs, usage metrics and feedback loops.

Result: AI community grown from 30 to 130 members in 3 months; adoption embedded in the strategic engagement model.

Product Expert & Program Lead — Top 1000 Customers

2023 – 2025

SAP Corporate Processes & IT

- Owned end-to-end product lifecycle of an AI-enhanced deal automation on SAP BTP: vision, roadmap, backlog (JIRA/Scrum), orchestration of 19 cross-board teams.
- Delivered document intelligence with OCR and retrieval-augmented AI (RAG), LLM fine-tuning, and Databricks lakehouse data pipelines feeding real-time analytics.
- Drove change management, go-live and end-user enablement across legal, commercial, finance, security and operations; C-level program communication.

Result: €45M+ annual savings, 60% faster deal execution, 5,000+ manual transactions eliminated; two board-area awards.

Automation Lead & Global Process Owner (Senior Legal Counsel)

2021 – 2023

SAP

- Global templates owner for SAP Software & Support contracting across 80+ countries and 6 regions; global optimization and workflow automation strategies.

- Led early AI/ML tools for contract work — clause drafting, risk scoring, deviation analysis — and Icertis CLM integration with enterprise systems.

Result: 6 regions harmonized; contract redlining reduced by 60%.

Head of Business Development & Operations, General Counsel (Board Member)

2010 – 2020

Bobycentrum Alfa a.s., Czech Republic

- Board-level business development leadership of a franchise company: grew the franchise & partnership portfolio 10x; led sales, marketing, legal, operations, procurement and IT (7 direct, ~100 indirect reports).
- Automated GDPR/AML compliance with OCR and rule-based workflows; integrated CLM (DocuSign) and CRM for partnership and franchise contracting.

Result: 40% paralegal capacity freed; zero audit findings.

Earlier career

2002 – 2009

PREM Group (Dublin Area Sales Manager, Ireland) · Bobycentrum (Sales Manager)

- Key-account sales leadership and team mentoring in international hospitality; Salesforce CRM.
